Hi again!

The Port of Los Angeles and U.S. Army Corps of Engineers have prepared a Draft Environmental Impact Statement/Report (EIS/EIR) for the container terminal located at Berths 226-236 on Terminal Island at the Port of Los Angeles, operated by Everport Terminal Services, Inc. The Draft EIS/EIR includes a discussion of the proposed project's environmental impacts and identifies mitigation measures to reduce these impacts as required under the California Environmental Quality Act (CEQA). In 2014, the Port released a Notice of Preparation/Notice of Intent (NOP/NOI) to prepare the Draft EIS/EIR. The Draft EIS/EIR includes all of the comments received during the NOP/NOI public comment period.

The 45-day public comment and review period for the Draft EIS/EIR is from April 20 to June 5, 2017. During this time, the Port will accept written comments and hold a public meeting on Wednesday, May 10, 6 p.m., at Port of Los Angeles Administration Building, located at 425 S. Palos Verdes Street in San Pedro, to present its findings and provide opportunity for public comment.

A copy of the document is available for public review at the following locations:

- Port of Los Angeles website.
- Port of Los Angeles Environmental Management Division, 222 W. 6th Street, Suite 900, San Pedro
- L.A. Public Library, San Pedro Branch, 931 South Gaffey Street, San Pedro
- L.A. Public Library, Wilmington Branch, 1300 North Avalon, Wilmington
- L.A. Public Library, Central Branch, 630 West 5th Street, Los Angeles

Comments on the Draft EIS/EIR must be submitted in writing by the end of the 45-day public review period and must be postmarked by June 5, 2017. Please submit written comments to:
